

LIMONCELLO SPRITZ

with simple syrup and mint

Ingredients

- ½ cup fresh lemon juice (about 3–4 lemons)
- ¼ cup simple syrup (adjust to taste)
- 1 cup sparkling water or club soda
- Lemon wheel or twist
- Fresh mint sprig
- Sugar rim
- Ice cubes

Instructions:

- Wash your lemons well, then peel them using a vegetable peeler. Be careful to not include too much of the white pith – this will result in a bitter taste.
- Place the lemon peel in a mason jar with an equal amount of sugar. (1.5 oz sugar to 1 lemon.)
- Slowly pour in the sparkling water or club soda. Stir gently with a long-handled spoon to keep the carbonation intact.
- Fill your favorite clear glasses with ice. Pour the Limoncello Mocktail over the ice and garnish with a thin lemon wheel or a small sprig of fresh mint for extra flair. If you're feeling playful, you can rim the glass with sugar for a party-ready touch.
